## Denso Airybees Homegames

On the **5<sup>th</sup> and 6<sup>th</sup> of February**, Koriyama's Horaiya Sogo Gymnasium will host two games of the professional women's volleyball team **Denso Airybees** (V-League, 1<sup>st</sup> Division). Although the team is based out of Aichi Prefecture, as the Airybees' second home town, it will be the first games of the new year in Koriyama. Opponents will be the **NEC Red Rockets** from Kanagawa Pref.

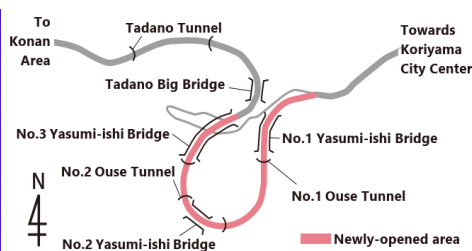

Tickets are available at the official website of the V-League (<https://vleague-ticket.jp>). Prices vary depending on the type of seating, so please check the official ticket website listed above. Come support the Airybees!

**Date/Time:** February 5 & 6 (doors open at 11:30, game starts at 13:00)  
**Venue:** Horaiya Sogo Gymnasium

## Sanmori Route (Koriyama-Konan) Renewed

After around 21 years of construction, the **Sanmori Route** between the Koriyama City center and the Konan Area renewal has been completed. Two tunnels and a bridge bypass the narrow, windy road, making the drive to the Konan Area and therefore to Lake Inawashiro a lot easier, faster and safer, especially in winter. Why not go for a drive and see it for yourself?

※ The Children's Library is not open, but a children's reading corner has been set up.

## COVID-19 Vaccination Program (Update)

All residents of Koriyama City have received vaccination coupons by mail. The envelope includes the **vaccine coupon**, with a **coupon number**. Use this number to make your reservation.

Also, a **Pre-Vaccination Questionnaire** is included. Please fill it in before going

to the vaccination clinic. A translation of the questionnaire can be found on the website below, but please **be sure to fill in the original Japanese questionnaire**.

Once you have your coupon, you can make a reservation at either a Collective

Vaccination Venue, or your local clinic.

For details, Koriyama City offers a website with information on the roll-out of the vaccine in English and Easy Japanese. The page includes information on making reservations, consultation services, your nearest clinics offering the vaccine, etc.
