Necessary Documents to Bring With You

1. Residence Card (or passport if you haven't received a Residence Card yet).
2. A “Moving-out Notification (*tenshutsu todoke* 転出届)” from your previous municipality if you are moving to Koriyama from within Japan.
3. The original and a Japanese translation of a document that proves your relationship if you are living with your family, such as a marriage certificate or a birth certificate.

Moving Within Or Out Of Koriyama

When you move within or out of Koriyama, you have to submit a “Change of Address Notification (*tenkyo todoke* 転居届).”

	Submission deadline	Necessary Documents
Moving within Koriyama	Within 14 days after moving to your new address	Residence Card
Moving out of Koriyama	Within 1 month before the planned moving date	Residence Card

Submitting a “Change of Address Notification” to the Post Office

The post office will send your post to your new address if you submit a “Change of Address Notification” for a period of one year. Ask your local post office for [more information](#).

2 Health Insurance

Health Insurance

If you have had residency status for more than three months you must enroll in the Public Health Insurance. You will receive a “Health Insurance Card (*hokensho* 保険証).” If you show the card at hospitals and clinics you will only have to pay 10% to 30% of the medical bill.

Types of Public Health Insurance

There are three types of public health insurances.

1. Social Insurance
2. National Health Insurance
3. Medical Care System for Elderly in the Latter Stage of Life

Social Insurance

This insurance is for anyone who is employed at a company or other business. You can ask your employer or colleagues for more information about this insurance.

National Health Insurance

Those who do not have social insurance must enroll in the [National Health Insurance](#). Complete the procedures at the National Health Insurance Division at the City Hall. You will receive a “National Health Insurance Premium Payment Slip (*nofusho* 納付書)” after completing the procedures. You have to make the payment before the deadline.

Necessary Documents to Bring

1. Residence Card

2. Certificate of Health Insurance Coverage Loss (*shikaku soshitsu shomeisho* 資格喪失証明書) if you are switching from social insurance to national health insurance. More information can be found on the [City of Koriyama Website](#).

Medical Care System for Elderly in the Latter Stage of Life

People aged 75 or older will be automatically enrolled in the [Medical Care System for Elderly in the Latter Stage of Life](#). You don't have to complete procedures. You will receive a payment slip to pay your premiums. Make sure to pay before the deadline.

High-Cost Medical Expense Benefit

If your monthly copayment is high in a certain month you can apply for a partial reimbursement that you will receive at a later date. You can also apply for an “[Eligibility Certificate for Ceiling-Amount Application](#) (*gendogaku tekiyo ninteisho* 限度額適用認定書)” ahead of time. 3 Pension

Pension in Japan

People between the ages of 20 and 60 must enroll in the Public Pension System and pay premiums. Once you reach the age of 65, if you become disabled or if you become a widow or widower, you can receive pension.

Types of Public Pension Plans

Public pensions include the Employees' Pension and the National Pension.

Employees' Pension

You will be enrolled in the Employees' Pension if you are employed at a company or other organization. You can ask your employer for more information.

National Pension

People who are not enrolled in the Employees' Pension must enroll in the National Pension. You can complete the necessary enrollment procedures at the National Health Insurance Division at Koriyama City Hall.

Necessary Documents to Enroll in the National Pension

1. Residence Card and passport.
2. Certificate of Social Health Insurance Coverage Loss (*shakai hoken shikaku soshitsu shomeisho* 社会保険資格喪失証明書), or a Letter of Separation (*rishokuhyo* 離職票) if you are changing from the Employees' Pension to the National Pension.

National Pension Premium

The 2023 monthly premium for the National Pension is set at ¥16,520. The 2024 monthly premium is set at ¥16,980. If you are having difficulties paying the premium, you might qualify for an exemption or postponement of payment. Check the [City of Koriyama Website](#) for more information.

Lump-Sum Withdrawal Payment

If you have paid the national pension premiums for at least 6 months you can apply for a Lump-Sum Withdrawal Payment within two years after leaving Japan. If somebody else in Japan fills in the application for you, you must also submit a letter of proxy. More information can be found on the [Japan Pension Services Website](#).

13. After Your Baby Is Born

Procedures to Complete After Your Baby Is Born

Submit a “Notification of Birth (*shussho todoke* 出生届)” within 14 days after your baby is born. If you and your baby will stay in Japan for more than 60 days after birth, you will have to [fill in documents at the Immigration Services Agency of Japan](#) within 30 days after birth. You most likely also have to fill in some documents at the embassy or consulate of your home country. Contact your embassy or consulate in Japan to check what procedures you will have to complete.

Notification of Birth

Where to Complete the Procedure

Submit the Notification at the City Hall where the child was born, or where the father or mother lives.

Necessary Documents to Bring With You

1. Notification of Birth (available at your hospital)
2. Maternal and Child Health Handbook
3. Identification of the person submitting the Notification.

Who Can Submit?

Only the father or the mother of the child can submit the Notification.

14. Education

Kindergartens and Certified Children's Centers

[Guidebook for Starting School](#) (Ministry of Education, Culture, Sports, Science and Technology website)

Kindergarten

Kindergartens are schools just like elementary and junior high schools. Children past their third birthday and up to before they enter elementary school are eligible to enroll. Day care hours are generally 4 hours per day. Extended day care services are available before and after the start and end of standard day care hours. Educational content and admission requirements vary from kindergarten to kindergarten. There are 28 private kindergartens in Koriyama. We recommend that you take part in kindergarten tours or one-day trials before enrolling your child in a kindergarten. For details, please visit the kindergartens' websites, or call them directly.

[List of kindergartens in Koriyama](#)

[Association of Private Kindergartens and Certified Children's Centers in Koriyama Website](#)

Certified Children's Centers

Certified Children's Centers provide education, day care, and parenting support for parents. Children zero years of age and older up to before elementary school age are eligible to enroll. These centers offer 4 hours of day care, just as kindergartens do, as well as 8- or 11-hour day care depending on the parents' working hours. There are 5 certified children's centers (kindergarten classification) in Koriyama. Parents must file a request for certification to enroll their children. Visit the [City of Koriyama Website](#) for more information.

Free Early Childhood Education and Day Care

The City offers free, reduced, or subsidized day care fees. The details of these subsidies vary depending on the day care facility, the child's age, and their parents' employment status.

Compulsory Education (Elementary and Junior High Schools)

Elementary school enrollment procedures

Children that are registered as residents in Koriyama are able to enroll in elementary school in the first April following their sixth birthday. Submit an Application for Admission of International Student at the School Education Promotion Division. The Koriyama Board of Education determines the school where your child will enroll depending on where you live.

[List of Public Schools in Koriyama](#)

After you submit your Application for Admission of International Student, you will receive an Enrollment Notice by mail in early October of the year before your child's enrollment year. Your child must receive a pre-enrollment physical examination on the date indicated on the Enrollment Notice. Make sure your child takes this examination. If you do not receive the Enrollment Notice because you moved to a different address, or have lost the Notice, please contact the School

Education Promotion Division. The Enrollment Notice is also used during the entrance ceremony. Please do not throw it away.

Junior High School Enrollment Procedures

Enrollment Notices are handed out to sixth grade students at elementary schools. Students submit their Enrollment Notice to their new school on the day of enrollment. The Enrollment Notice is an important document and is to be submitted at the entrance ceremony. Please do not throw it away. You will receive an invitation to an enrollment orientation from the school where your child will be enrolling. Make sure to attend the orientation.

Purchasing your child's school uniform will take some time. After attending the enrollment orientation, and once you are clear on what preparations need to be made, make sure to start preparations as soon as possible.

Just as for elementary schools, the Board of Education determines the school where your child will enroll depending on where you live. Visit [this website](#) to find out which school your child will be enrolled in.

Enrolling in High School

High Schools

Most children in Japan go on to high school after graduating from junior high school. In junior high school, you will have opportunities to discuss your child's education with their homeroom teacher. Be sure to discuss with your child about what they have in mind for the future. If you are unsure about something, ask others around you or teachers. International students who have been in Japan for only 3 years or less may be eligible to take a special entry test for enrolling in prefectural

high schools. Asaka Kaisei High School is the only prefectural high school in Koriyama where international students can take the test.

17. Traffic Rules

Japan's Traffic Rules

In Japan cars drive on the left side and people walk on the right side of the road. Bicycles are defined as vehicles and therefore must be driven on the left side of the road. Make sure to follow the traffic rules and traffic lights. If you have to turn right on a bicycle, cross the crosswalk with pedestrians.

Security Registration for Bicycles

You must complete your bicycle registration when you purchase a bicycle. You can do this at any shop that has a “Bicycle Registration Station” sign posted.
